

Dear Parents

Hello to all of you from Jordan !

It has been a 3 day of hectic schedule for all of us.

Just sneaked in the Library to update you all.

Day 1: The reception was warm and affectionate. The welcome speech of the Headmaster was welcoming !

The Keynote Speaker engaged all of us in a talk followed by a presentation. The boys had an afternoon session of fun-filled activities.

Day 2: After breakfast in the morning we left for Madaba City the town ship where the Kings Academy is. We all visited Mt. Nebo and St. George's Church. For Lunch we were back to School and we had the official Group Photograph. The Evening was even greater with the Play 'THE CRUCIBLE' put up by the students of Kings Academy School. The play kept the audience glued for more than 2 hours.

Day 3: We all left for the Jordan Valley and saw the much sought after Dead Sea on the way. We visited the Friends Of The Earth Middle East Social organisation which has been adopted by the Kings Academy school to work on as part of social and ecological venture.

We also visited the Baptism site, the place where Jesus was baptised by John the Baptist.

We all headed for Petra.

Petra is considered the most famous and gorgeous site in Jordan located about 262 km south of Amman and 133 km north of Aqaba. Petra is now a UNESCO world heritage site and one of The New 7 Wonders of the World that enchants visitors from all corners of the globe.

Day 4: We returned from Petra this evening and right now the Boys are all watching a movie. Tomorrow we head for Dead Sea to have a dip in the water of the sea.

There is so much of excitement and fun that boys are all very excited and having a good time. Hope they will be able to fully enjoy themselves and return with fond memories !

Sincerely

Sanjeevan Bose
