**BUILDING SAFETY CERTIFICATE**

This is to certify that I have visited all the Building of "**The Scindia School**" situated at "**The Fort**" Gwalior (M.P.) Including Academic Blocks, Administrative Blocks, Residential Dorms for student, Residences for Principal and staff, Mess and other structures in the premises.

I further certify that the buildings and structures in the premises met the structural safety for all situations including natural disasters as per National Building code of India and Relevant codes. Building Constructed in Parts. Some Building are having old construction and have been renovated time to time while some buildings are looking new. In general no crack and other structural faults and weakness are seen in buildings. The Buildings are well maintained.

So on seeing all the point of view, School Buildings are safe and suitable for school & other purpose.

Thanking You

Regards

Er. SANJAY VERMA
