Bhopal dated the 12 July 1971

Sub: Request to the State Government, for approval that the Scindia School may prepare students for the examination of the Central Board of Secondary Education.

Dear Shri Sahi,

Please refer to the correspondence resting with your D.O.no. 12760 dated the 4th May 1971 on the subject. There is no objection if the Scindia School, Gwalior prepares students for the examination conducted by the Central Board of Secondary Education, Delhi. It is presumed that your School will cease to be affiliated to the M.P. Board of Secondary Education.

Yours sincerely,

D.O. No. 708/ES/2-2

Bhopal,

Dated the 24/4 April, '71.

My dear Sahi,

Please refer to your d.o. letter No. 11885, dated 16th April, 1971. I wonder whether there is any instruction from the State Government that the Scindia School shall prepare students for Indian School Certificate Examination and the M.P. Board examination. If there ^{is} any, please let me know.

2/ Presuming that there is no such direction, my first reaction is that the State Government will have no objection to your adopting a uniform course of the Central School pattern. From the point of view of national integration in respect of school education as also from the point of view of foreign exchange the Central Board course should be certainly more acceptable to us. I am sending your letter and my reply to the DPI, Shri S.P. Verma, who would be able to give you the official reply after ascertaining the previous history of decisions, if any.

3/ Please do not hesitate to write to me, if the proposal gets stuck up.
