### Summer Vacation

#### Lakshya Tulsian, IX A

Summer vacation is not merely a break from school; it's an invaluable opportunity for students to continue their journey of learning and personal growth outside the classroom. Beyond the confines of textbooks and exams, this extended holiday presents a canvas for exploration, discovery, and self-improvement.

During summer vacation, students have the freedom to pursue their interests and passions, whether it's delving into a new hobby, learning a musical instrument, honing athletic skills, or volunteering for a cause they care about. Moreover, summer vacation offers the chance for meaningful family time and cultural enrichment.

In essence, summer vacation is a time to learn and grow in diverse ways, shaping students into well-rounded individuals.

#### जल ही जीवन है: सिंधिया स्कूल में जल संरक्षण की पहल अथर्व तिवारी कक्षा 10

“जल ही जीवन है” – यह कहावत सिंधिया स्कूल के प्रांगण में साकार होती हुई दिखाई देती है। यहाँ जल-संरक्षण को सर्वोच्च प्राथमिकता दी जाती है। वर्षा-ऋतु के दौरान प्राप्त हुए बहुमूल्य जल को बचाने के लिए विद्यालय परिसर में उपलब्ध ऐतिहासिक कई तालाबों का संरक्षण करके उनका जीर्णोद्धार किया गया है। इन्हें हम “ताल” के नाम से जानते हैं। इन सभी तालाबों में बारिश का पानी पहुँचाने के लिए नालियों का निर्माण किया गया है तथा कुछ ऐतिहासिक नालियों की मरम्मत भी की गई है। विभिन्न सदर्नों, मैदानों व संरक्षित क्षेत्रों में संचित बारिश का पानी इन तालाबों में एकत्र किया जाता है। परिसर में जल का सदुपयोग भी बखूबी किया जाता है। हमारे छात्रावासों में दैनिक उपयोग के बाद बचा हुआ अतिरिक्त पानी पौधों को सींचने और अन्य कार्यों में लाया जाता है। यही आदर्श हमारे स्कूल के भोजनालय में भी अपनाया जाता है। बर्तन धोने और सब्जियों को धोने के बाद बचा हुआ पानी पौधों को जीवन देने का काम करता है। इसके अतिरिक्त विद्यार्थियों का प्रयास यह रहता है कि वे अपने गिलास में उतना ही पानी लें जितना उन्हें पीना है।

सिंधिया स्कूल का यह प्रयास न केवल जल संरक्षण की दिशा में सराहनीय है, बल्कि छात्रों में पर्यावरण के प्रति सजगता और संवेदनशीलता भी पैदा करता है। तालाबों का अस्तित्व विद्यालय परिसर को हरा-भरा बनाए रखने में भी सहायक होता है। इस प्रकार

सिंधिया स्कूल यह उदाहरण पेश करता है कि कैसे शिक्षा संस्थान जल-संरक्षण की दिशा में महत्वपूर्ण भूमिका निभा सकते हैं? सिंधिया स्कूल भविष्य में ग्वालियर शहर को जल देने की दिशा में कार्य करने की ओर अग्रसर है।

**The Scindia School wins XIX HH Maharaja Madhavrao Scindia Memorial Cricket Tournament**

**Champions : The Scindia School Team**

**Lighting of the ceremonial flame**

The XIX His Highness Maharaja Madhavrao Scindia Memorial Cricket Tournament was held from 28th March to 1st April 2024. The ceremony commenced with enthusiastic players assembled on the Madhav Field. The Vice Captains proudly displayed their school flags, while The Scindia School Brass Band, led by the Senior Under Officer, Vaibhav Agarwal, performed a display. The captains of each team passed the torch to each other symbolizing responsibility, leadership, and sportsmanship. Shivansh Sahu, the captain of the school team, along with the Principal Mr Ajay Singh, lighted the ceremonial flame. The Principal, Vice Principal, Bursar, and the Head Cricket Coach, Mr Vijay Prakash Sharma paid homage to the bust of late HH Maharaja Madhavrao Scindia.

Mr Ajay Singh, the Principal, presented caps to all the participating players and officially declared the His Highness Maharaja Madhavrao Scindia Memorial Cricket Tournament open.

The following schools from across the nation participated in the tournament: Yadavindra Public School, Mohali; Yadavindra Public School, Patiala; Motilal Nehru School of Sports Rai, Sonipat; Bishop Cotton School, Shimla; The Manik Public School, Maniknagar; R.K.C, Rajkot; Genesis Global School, Noida; The Daly College, Indore; and The Scindia School.

The teams were divided into two pools, out of which two teams qualified from each pool for the semifinals. The first Semifinal was played between Daly College and The Scindia School. The toss was won by Daly College, and they elected to bat first. Daly College was bowled out for 62 runs. Rishit Sharma and Bhavesh Mittal shone with the ball, taking 4 and 3 wickets respectively. The Scindia School chased down the target effortlessly in just 7 overs without losing a wicket, with a dominant partnership between Aryan and Shresth. The second Semifinal was played between MNSS Rai and Genesis Global School, Noida. Genesis Global School was bowled out for 92 runs. Jasmeet and Sarthak claimed 5 wickets together. MNSS Rai chased down the target in just 15 overs.

In the finals played between MNSS Rai and The Scindia School, the toss was won by The Scindia School, and they chose to bat first. They set a target of 191 runs with Yash scoring

an exhilarating 106 runs for the team. In the second innings, MNSS Rai tried to chase the target with Vaibhav scoring a half-century, but the team could only make 108 runs. The Scindia School lifted the trophy of the XIX HH Maharaja Madhavrao Scindia Memorial Cricket Tournament, with Mr Prashant Mehta as the Chief Guest. A retired IAS officer, Mr Mehta currently serves as the President of the Gwalior Division Cricket Association. He holds a special place in his heart for the late HH Maharaja Madhavrao II, having served as his Personal Secretary during his tenure in three ministries. He has dedicated himself to uplifting and strengthening the facilities for players in the region. Mr Ravi Patankar, former secretary of the Gwalior Division Cricket Association, also graced the occasion as the guest of honour. After the award ceremony the dignitaries

## A Report on Scindia Model United Nations 2024

Delegates at the Scindia MUN

The sixth edition of Scindia Model United Nations (SCIMUN) was held from 13th to 15th April 2024. The event lasted three days with 200 delegates from 21 schools. The first day started with registering all the 21 schools which was followed by the opening ceremony. The Chief Guest for the opening ceremony was Mr Rajeev Bhadauria. Mr Bhadauria is a globally recognized Senior Business Leader, Speaker, Mentor, and Executive Coach. With a distinguished career spanning over three decades. The event started with a Saraswati Vandana, performed by Aarni Sharma and Aanya Pillai. The school's classical band performed a Rajasthani Folk Song, 'Padharo mare desh'. The Secretary General, Saksham Agarwal declared the event open. After which, the delegates engaged in committee sessions where they discussed various global issues. The conference had 7 committees; United Nations Security Council, Continuous Crisis Committee, Forum of Climate. Activists & World Leaders,

United Nations Women, Meeting for Executives of Big Data Companies, Lok Sabha and International Consortium of Investigative Journalists. After high tea and two committee sessions, everybody visited the Jai Vilas Palace and The Scindia Museum. This enriched the delegates' understanding of The Scindian Legacy. On returning, the delegates had the third committee session after which they proceeded for dinner. Day 2 continued with committee sessions, and in the afternoon, delegates participated in a school tour and nature walk focusing on the 'Fort Biosphere project'. The delegates were served Nihari at the fort wall, with the view of the historic city of Gwalior. Later, in the evening, everybody proceeded for 'Harmony: The Scindian Night!' at SMOAT, where everybody danced and bonded, followed by the special dinner outside the School Mess. After this the Secretary General raised a toast, but that was interrupted by a terrorist attack, leading to a 'Midnight

Crisis' exercise. On the third day, the committee sessions resumed and started concluding their sessions. Delegates debated and passed draft resolutions. The conference was completed with a closing ceremony where awards were presented. Mr Suresh Prabhakar Prabhu was the Chief Guest for the event. Sir has served as the Chancellor of Rishihood University, the Minister of Civil Aviation, Railways, Commerce & Industry in the First Modi ministry. Dr Ruchira G Chawla delivered the vote of thanks where she especially called out the secretariat members; Saksham Agarwal, Rohil Sharma, Dhanraj Jhajodia, Lakshya Arora, Vivek Singh, Rudraksh Tapadia and Arrthham Jalan for their commendable contribution in making SCIMUN a success. Shishukunj School from Indore was awarded with the 'Best Delegation' award. Rohil Sharma, the Deputy Secretary General, delivered the closing statement and declared the event closed.

**Uddayan - a flight to transformation**  
**Dr Sanjay Kolte, (Ex-Md, 1983, President SOBA Nagpur)**

Students from Sadhana Vidyalaya, Hemalkasa

Conceived as an opportunity to bring together students of two diverse backgrounds, “Uddayan” was brought to fruition from 5th to 9th November 2023 by members of SOBA Nagpur. The school supported and hosted this event most gracefully.

Twenty seven tribal students from the naxalite ridden forests of Hemalkasa Maharashtra, who were selected randomly from the Sadhana school run by the Lok Biradari Prakalp of Magsaysay awardee Dr. Prakash Amte, boarded a bus (sent from Nagpur. Hemalkasa does not have any public transport) from Hemalkasa to Nagpur on 4th November 2023 morning for an interactive stay with our school boys over 3-4 days. These students and those of The Scindia school, although placed at two extremes of the social order, would have some attributes to positively influence each other, was the idea that worked behind this project. On reaching Nagpur, they were welcomed by members of SOBA Nagpur. They had dinner at Anandvan (Baba Amte’s ashram at Nagpur). After some time hot milk was served after which they left for Gwalior where they reached at 3 pm next day by Chhattisgarh express. School bus carried them to the Fort. They were housed in Jayappa house from where they enjoyed an engaging stay on the fort over the next 4 days. They not only observed and lived the routine life of a Scindian, but also participated in several activities they could catch up with, in the limited time. All the arts and crafts departments and their respective teachers had crafted a time table of activities for them. They led their trails through the respective workshops and guided them for hands on trials wherever they were tempted

to attempt. In the evenings, school teachers took them on tours of the Fort - the Gurudwara, Maan Singh palace, Saas Bahu and Teli temples. They stayed and had meals with our school boys. I too joined them on the second day and stayed on the fort (first time 40 years after I left school) for two days. As their programme rolled by, I suffused in the nostalgia of the Fort, observing my House (Madhav) amusingly from the other side of the road. The calm sounded strikingly unfamiliar, knowing the incessant flurry of activities that goes on in the dormitories round the clock. On recalling my times in the school, I wondered how the Madhavsians dared and successfully pulled off all kinds of notorious activities right under the glaring spotlight of the Principal’s residence. The common room time also was relatively quiet. Back then, the razzle dazzle was so loud that one would immediately know which house had acquired which LP of late.

That afternoon, a documentary on Dr. Prakash Amte and the Sadhana school was screened for our school boys in the Assembly hall. Dr. Amte represents the second generation of social workers who are carrying forward the selfless service initiated by Late Mr Baba Amte, for upliftment of the tribes in the forests of Hemalkasa. The Lok Biradari Prakalp is an effort in this direction. The School was set up by them in February 2015. They do not receive any grant

Demonstrating Malkhamb

from the government. The motto of this school is "Chukate kae baatal aayo" which means "It's OK if you make a mistake". This school functions round the year despite extreme environmental conditions, sensitive socio-political situation (poverty and Naxalism), superstitions of parents and lack of roads and electricity.

Concerns of any discord due to the contrasting cultures of the two types of students were put to rest on the very first day, as our school boys warmly and understandingly adapted to their reality. The visitors also blended without any inhibitions. They impressed everyone around them with their conduct. Their simplicity, earthiness, punctuality, discipline, contentment in minimalism and the eagerness to learn more, without being overawed by the cultural superiority around, were starkly noticed. They came across as quiet heroes who were patiently absorbing all the nectar in the overwhelming surrounding, incorporating it in their systems for shaping their future aspirations. Looking keenly to add strength to their wings in flying the winds of change they’d wish to see in their own lives. Their performance on the “मल्ल खम्ब” (Ancient Indian sport literally meaning wrestling on the pole) was a revelation that won profuse appreciation. It not only mesmerised everyone but also inspired some young ones amongst incumbent Scindians into trying it themselves. Incidentally, Principals of some more schools of Gwalior and from our adopted village Saunsa who happened to be there, also enjoyed seeing their display of the sport. This ancient sport (which is not taught in many public schools) is a classic mix of aerial yoga and gymnastics and demands absolute

fitness that requires not only physical flexibility and swiftness but also unwavering focus and resoluteness. When they finally left the Fort, the visitors donned Scindia school T shirts and shoes, truly overjoyed and fulfilled. Some of them who'd never seen a car, a train, a town and even a civilised society ever in their life, were simply overwhelmed at experiencing all of it and so much more through "Uddayan" at the country's best school. In return, what they left behind from their presence of three days was exemplary, equally unfamiliar and unimagined to many on the Fort. Their assimilation in the school atmosphere was reflective of how discipline, fortitude and poise can be acquired irrespective of class or creed; even in the most adverse and depleted situations. Their stay was a clear demonstration of the fact that suffering privations and fearing deprecations isn't the only way for the deprived and that accidents of

birth can't be reasons enough to deter someone who is planning a flight to progress and transformation in his life. For our school, it simply proved once again that here, the ethos of amity and equipoise do not merely exist within the clothing of school uniforms.

Appreciation and gratitude: The Hon'ble Principal, Scindia School, Mr Gopal Chaturvedi, Mr Jitendra Jawale, Students of the Scindia School and SOBA Nagpur members.

### The little girl Mr Saurabh Kaul, Faculty of English

The little girl was laughing,  
Her laughter engulfed everything,  
Squirrels started to laugh,  
Lizards started dancing,  
Butterflies also smiled,  
Flowers spread their happiness,  
The laughter was so infectious,  
it touched everyone & everything,  
The innocence was so sweet,  
When she laughed could see, broken  
tooth,

I asked who took it,  
She smiled & replies the tooth fairy  
Her eyes sparkled with life,  
A life so beautiful & meaningful,  
She laughed & laughed & laughed,  
on all things,  
whether small or cute or simple,  
she taught the real meaning of life,

## ग्वालियर का अज्ञात शृंगार: गोपाचल पर्वत विवेक शर्मा, कक्षा 10

ग्वालियर के मध्य में स्थित है इसका हजारों साल पुराना गौरवशाली इतिहास-गोपाचल पर्वत। यह वही पावन धरा है जहाँ शून्य का गुणगान मिला और ऋषि गालव को तपस्या का स्थान मिला। इसी चट्टानी टीले पर मौजूद है ग्वालियर का वैभवपूर्ण किला जो ग्वालियर के भव्य और समृद्धशाली इतिहास को दर्शाता है। राजा मानसिंह के ध्रुपद संगीत का गायन, संगीत सम्राट तन्ना यानि तानसेन की जन्म स्थली ग्वालियर में इस किले ने एक अद्भुत भूमिका निभाई है। प्रेम, धर्म, युद्ध-कला, संगीत और भवन-निर्माण कला आदि से भरपूर इस किले को बाबर ने हिन्दुस्तान के गहने में जड़ा मोती कहा था।

इस पर्वत पर कई अद्भुत कृतियाँ भी देखी जा सकती हैं। जैसे मंदिर, महल और कई गुफाएँ

जो उस दौर की संपन्न सांस्कृतिक विरासत का वर्णन करती हैं। गोपाचल पर्वत, कहा जाता है कि यह वही भाग्यवान पर्वत है जहाँ भगवान श्री कृष्ण ने गोपियों के साथ रासलीला रची थी और इसी पर्वत पर वे गायों को चराने भी आते थे। जिस वजह से इस पर्वत का नाम गोपाचल पड़ा। यहाँ पर्वत की चट्टानों को तराशकर बनाई गई कई जैन मूर्तियाँ देखी जा सकती हैं जो उस समय की समृद्ध जैन परंपराओं की व्याख्या करती हैं।

इस पर्वत के शांत वातावरण का आनंद लेने प्रातः काल अनेक लोग आते हैं और विभिन्न प्रकार के व्यायाम क्रिया का पालन करके अपने आप को प्रकृति के निकट महसूस करते हैं। सुबह-सबरे पक्षियों का कलरव और शीतल मंद हवा वातावरण को सुहाना बनाए रखती है। वर्षा ऋतु के बाद पर्वत हर कोने में हरियाली में उभरा नया जीवन दर्शनीय होता है। यह

पर्वत प्राचीन इतिहास और मनमोहक प्रकृति का संगम है। शहर से इतनी ऊँचाई पर होने के कारण यह पर्वत आज भी मनोहरी हरियाली का प्रतीक है।

इसी भव्य गौरवशील पर्वत पर विराजमान है, एक विद्यापीठ जो सिंधिया स्कूल के नाम से जाना जाता है। यह विद्यालय पर्वत की अहम कड़ियों में से एक है जो इस पर्वत के प्राकृतिक संसाधनों के विकास तथा संरक्षण में अग्रसर है। विद्यालय के रूप में सिंधिया स्कूल का, जल-संरक्षण हेतु भी योगदान सराहनीय है। वर्तमान समय में भी यह पर्वत हरे-भरे पेड़ पौधों से व्याप्त है। यही कुछ बातें हैं जो इस पर्वत को प्राकृतिक और सांस्कृतिक संरक्षण के दायरे में मुख्य दर्जा देती हैं। प्राकृतिक सौंदर्य और ऐतिहासिक महत्व के साथ गोपाचल पर्वत ग्वालियर का एक अनमोल रत्न है, जिसे सहेज कर रखना हम सबका कर्तव्य है।
